

XXVIII RNE · XII CIE

SPECTROSCOPY

Granada, June 26th - 28th, 2024

Presentation

The Society of Applied Spectroscopy (SEA) is pleased to invite you to participate in the **XXVIII National Spectroscopy Meeting (XXVIII RNE) - XII Iberian Spectroscopy Meeting (XII CIE)** that will be celebrated in Granada from **26th to 28th of June 2024**. The conference will be jointly organized by Comité de Espectroscopía de SEDOPTICA, Sociedad Española de Química Analítica (SEQA), Sociedade Portuguesa da Química (SPQ) and Sociedade Portuguesa da Bioquímica (SPB).

The participants will benefit from the opportunity to attend free of charge the **Third Spanish Workshop of Laser-Induced Breakdown Science and Technology (III ES-LIBS)** that will be held in the same venue on **June 25th**.

The principal goal of the meeting is to contributing to the spread of the latest developments of fundamental aspects and applications in the field of spectroscopy, motivating the participation of senior and young researchers alike. The organizing committee, warmly welcome undergraduate students, PhD candidates, post-doctoral fellows and all of your colleagues to join us in the beautiful and historical city of Granada to present their work, communicate your exciting research findings to each other and enjoy the possibility of fostering with close mates in the exciting world of spectroscopy.

The organization has made an effort in offering competitive fees (with all meals included) while keeping the highest standards in the venue and the technical resources.
